"In the end, women are only happy when they find a man who truly loves her. It's nothing but a waste of energy chasing after and waiting for the guy you love..."
"Is that your story, teacher?
"Red Sun! Forget it!"
Does she have a boyfriend?
It means she has someone whom she likes, at the very least.
Even if she doesn't this eight year gap is going to be a huge problem
Where are you going, Lim Su Neung?
Kekeke
HEY! STOP IT!! PLEASE JUST GO AWAY!!! JESUS!!
BACK OFF!

Ms. Sang-Hee!
Yes?
Our class is going through counseling today Can you help me?
GUIDANCE COUNSELOR
I'm sorry? Coun-seling..?
I'm telling you, I'm going to become a celebrity! College? I'm going to get special admissions when I become famous-
go tell them that I don't need classes
I don't have to study
It's hard for me to study with the other classmates because their level is too low
Can we redo the class assignments?
Well I guess you don't have any power right, Teacher?
Why are we all wearing our makeup the same way? Because this is the top trend right now lol -
More importantly about the sly fox! she keeps calling me my boyfriend
Get rid of her please
Counseling Just isn't for everybody
Did he give me this job because it's such a bother and tiring ?
My head Urgh-
Teacher, may I come in?
Uh Yeah, come and sit down

All right-
Do you have anything troubling you or tiring in your life right now, Su-Neung?
right away
Mm...Well...
Tell me even if it's something really small.
Ah, it's fine if it's something you just need to talk about instead of troubles.
Something to talk about...
Umm...
.....

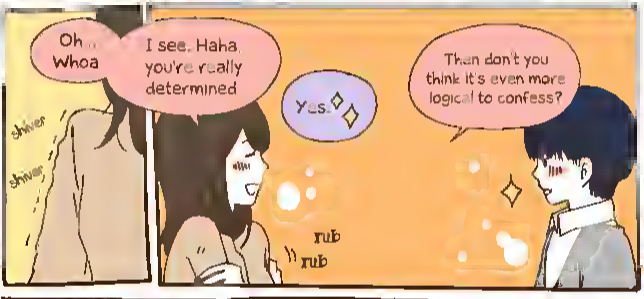
Umm...There's this one person who's really nice and tender to me, but I don't know if it's because she really likes me or because I'm easy...
No, before that, I honestly don't know if she...Has a boyfriend or not,. So I can't just approach her...
Ah- I can't organize my words. What I'm saying is...

Is it okay for me to confe...
What's with that expression?!!
I love this kind of counseling...
...I was thinking that a teenager in love shines so brightly...
It's not like that, okay?!
Please listen to what I'm saying properly...
Sorry, sorry...So
The person you like seems to have a boyfriend and you're wondering if you can confess or not. That's your question, right?
Yes...Kinda.
Even if she has a boyfriend,
do you like her enough to not give up?
Yes.
I like her.

Sincere



Oh... Whoa
I see. Haha, you're really determined
Yes.
Then don't you think it's even more logical to confess?
shiver

Even if she might have a boy-friend? Even if it's impossible?
Still, you like her. It's better than just doing nothing.
It'll be a waste if you don't deliver such courageous feelings
She'll be extremely happy if you tell her

pop!
pop!
Courageous feelings
Right??
Because I'm not even sure if she has a boyfriend or not!
And I'm just guessing, but she probably doesn't have a boyfriend.

Compared to an elaborate prepared speech,
his confession was 1000 times better.
I like you, I like you~
I, too, once had a shining time like that - getting all flustered and shaky.

Kim Sang-Hui's specialty
Apple Bee Honey Curry! Looks delicious right?!
Ah, well~
Ahem Your answer is a bit bitter
Hey, about you~
Even though I did give you a key,
In other people's eyes~
don't you think it's a bit much if you just come and go whenever you want?
Ah~
Is that so? Sorry

Is that it?? You should at least say "I like you, too~" or if you can't, "Me, too-"
Ah- Okay.
I like you, too. Okay...?
Let me eat
"Yes."
"I like her."

Really, he's just too much. Is it unavoidable as we get older?
The delicateness faded away, and the thoughtfulness dried up.
Let's keep it in...
I miss it- Those shining days...
I should just go home and sleep...Ah.
Gotta take my lipstick...
"This is sort of connected to my workplace, so I just barely got it."
"It was super hard to get! Wow, thank you!"
Something like that happened, too.
Ah- So depressing. Depressing....
